IUI Plan

Up to 3 cycles of IUI, including

- ✓ HFEA fee
- ✓ Nurse consultation
- ✓ Monitoring scans and hormone blood tests
- ✓ Sperm preparation
- ✓ IUI procedure
- ✓ Pregnancy scan or follow up consultation depending on result

Refunds

50% of your plan fee back if you achieve a live birth following your first IUI procedure

20% of your plan fee back if you achieve a live birth following your second IUI procedure

Please note, the IUI plan does not include consultations, screening, and medication, these would be paid by yourself directly to the clinic. If you require donor sperm, this is also an additional cost and not included in the plan. The clinic or ourselves will happily provide you with estimates of these costs.

If at any point under the plan you achieve a live birth, your plan will be complete and you will not be entitled to any further treatment.
